

SOLES FOR LITTLE SOULS

Because every child deserves dignity

Africa Connect is a 501(c)(3) working toward community transformation in a large slum in Kenya.

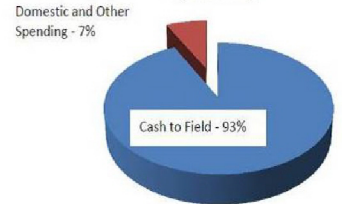

It begins with the children in Graceway Victory Academy, a free preschool which each year provides 90 desperate children a chance to receive a quality education, nutrition and medical care, and their caregivers an opportunity to be empowered.

Each year we also provide new leather school shoes, a uniform, socks and undies, and a backpack.

For us, this means a few less coffee stops.
For these 90 children, it means, "I have value".
